Key School Clubs

Do you want your Knight(s) to be more involved? Join a Key School Club today! We have several new clubs this year as well as some returning favorites. A club list with descriptions & schedules was sent home with your Knight(s) today! All Club registration will be done online this year. You can either click the button below or scan the QR code on the flyer that was sent home today. Yay Key School Clubs!

FROM THE DESK OF OUR HEAD OF LOWER SCHOOL

November already! The next few weeks will be so busy as we get ready for the Book Fair, welcome Grands to our annual Grands Day event, and lots more!! Be on the lookout for important information in this Knightly News edition!

A few quick notes:

- * Clubs have been announced and several started THIS WEEK!! Talk with your student about joining one of our 11 clubs! (Note: some clubs ARE division-specific.)
- * As the weather is turning cooler, please help us out by making sure that ALL items that come to school are labeled with your child's name... those jackets and things look alike and having the name in them helps them find their way home when they are lost!
- * It is also starting to be the season when germs hit high gear! Please be sure to follow the guidelines for when to keep your student home when they are not feeling their best.

BOOK FAIR

Our Book Fair will start on Monday the 13th and run through Grands Day. You can either set up an eWallet for your student or you may send money with your student to shop!

[eWALLET Set Up](#)

Experience Dyslexia: An Interactive Workshop for Parents. If you missed last month's event, join us on November 13th for a "2nd showing" of this eye-opening event.

You will leave this simulation-based workshop with a heightened awareness of the struggles children with learning differences experience. Free Workshop! This is a workshop for adults only. Childcare is not available.

November 13, 2023, 6:00 pm – 8:00 pm A light dinner will be provided at 5:30. Key School and Training Center Lobby
