FROM OUR HEAD OF SCHOOL

Dear Key School Families,

As I reflect on this semester and anticipate the new one quickly approaching, I would like to share my gratitude for the continued support of our dedicated Key School parents, students, faculty, and Board of Directors. Your involvement and partnership contribute significantly to the success of our school community. I want to take a moment to reflect on the incredible first semester we have had here at Key School. All students have been busy wrapping up their first Classic Book for the 2023/2024 school year. Upper School students read the classic book, Great Gatsby, and Lower School students read the Little House on the Prairie Series. All divisions will read The Lion, Witch, and Wardrobe this next quarter during Classics class. October brought about a month of celebrating learning differences. Events such as the ribbon cutting for our very own Key School Garden, Fall Carnival, and the parent Dyslexia Simulation Training was an incredible way to showcase our close Key School community. This semester, High School students had the opportunity to take important assessments such as the PSAT and the TSI, which are valuable to student preparation and serve as an important step in the college readiness process. The Senior Class enjoyed their annual Senior Photo Trip and have been steadily preparing for the next steps in their educational journey post-graduation.

The addition of Archery, Art, Cheer, Drama, Garden, Pickleball, RPG, and Running Club has proven to be a tremendous success for our Key School Knights! It has been a complete joy to witness the excitement and engagement from our students. I am so proud of our Key School Knights. Their hard work, curiosity, and resilience have shone through in classrooms, projects, and assessments. I commend both students and teachers for their dedication to fostering a culture of learning and excellence. Looking ahead, we have a busy but exciting second semester upon us. I am wishing you all a joyful holiday season filled with warmth, laughter, and cherished moments with loved ones.

Happy Holidays,
 Leslie Vasquez, M.Ed.
 Director of Education, Head of School

Key School Clubs

Do you want your Knight(s) to be more involved? Join a Key School Club today! We have several new clubs this year, as well as some returning favorites. All Club registration will be done online this year. Click the button below or scan the QR code on the flyer that was sent home today.

Classroom Assistants & Servers
NEEDED

1.3: Holiday Clean-Up:
3 Spots OPEN!

VOLUNTEER HERE

COUNSELOR'S CORNER

The following students are the most recent recipients of our Upper School Wall of Honor Award:

Our high school winner this week prefers to be recognized privately, so congratulations to our high school Knight being added to the Wall of Honor!

River F. - River works hard in her math group even when the other group is playing games. She is very courteous to teachers and works hard in class to keep up with her studies, is always on time and prepared for class with all her supplies, and keeps her locker and organizer neat. Great job to these outstanding Key School Knights!
