FROM OUR HEAD OF LOWER SCHOOL

Welcome back from Spring Break! It was wonderful to see all of our Knights back on campus! We have a lot of fun learning coming up for the rest of March in Lower School... be sure to ask your students to share with you what they are learning.

- **March 20:** Very Hungry Caterpillar Day... students will read Eric Carle's book as an introduction to butterfly life cycles and then start a classroom butterfly garden.
- **March 21:** Safety Smart presentation
- **March 21:** 3rd Quarter Spirit Rally
- **March 26:** Make up your own Holiday Day... students will learn about holidays and the significance of holidays. They will make up a holiday and then the Lower School will vote on the holiday to celebrate with the rest of Key School.
- **March 28:** Students will read Rechenka's Eggs and then have an egg hunt on the playground. Students will be asked to bring in 1 dozen eggs filled with treats for our hunt at the end of the day.
- **April 1:** Backwards/Forwards/Inside Out Day... Students will read Inside Out, Backwards Day of Mr. Bray. Students will be allowed to wear their uniforms inside out, forwards, or backward. Students will also learn all about palindromes.

Stay tuned for more upcoming events in Lower School!

COUNSELOR'S CORNER

The following students are the most recent recipients of our Upper School Wall of Honor Award:

Our high school Wall of Honor recipient chose to be recognized privately.

Jade is very kind and thoughtful towards her ALT teacher. She is funny and sweet, and loves to share a good story. Jade has a great sense of humor and will always give you a good laugh! Jade has been a good friend to others. She also makes a point to stop by the library EVERY DAY to make sure she visits her favorite librarian and teacher!

Our second middle school recipient chose to be recognized privately. Great job to these outstanding Key School Knights!

UPPER SCHOOL READING INITIATIVE

The Upper School 6-9 grade teachers would like to promote outside reading. Students will keep a reading log which will be homework each night. It will require parents to initial and follow up with a short discussion. The end goal is to promote a daily habit of reading and to strengthen the skills students have. Reading log went home this week.
