## FROM OUR HEAD OF SCHOOL

Thank you to all who attended our annual Parent Teachers Conferences. These meetings provide an invaluable opportunity for you to discuss your child's progress, address any concerns, and collaborate with teachers to ensure your child's success. These conferences also provide valuable information to the Key School Leadership as we are continuously improving our programs and services offered. Thank you for your patience getting every Knight's testing up to date! This is such an important part of Key School.

If you are interested in psychoeducational testing for the 24-25 school year, please reach out to Carson James at [Carjames@ksfw.org](mailto:Carjames@ksfw.org). There are some spots still available this summer! As we quickly approach Spring Break, it is my hope that our Key School families can make the most of this time off with your loved ones. Knights will return to school on Monday, March 18, refreshed and ready to tackle the remainder of the academic year.

Leslie Vasquez, M.Ed.  
Director of Education and Head of School

## COUNSELOR'S CORNER

The following students are the most recent recipients of our Upper School Wall of Honor Award:

Wyatt consistently shows up on time and is ready to work when it's time to begin. He is also very helpful and an active participant in class. Wyatt has really stepped up into a leadership role this year, too!

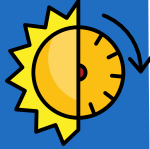

Dalton always has a positive attitude. He comes to class prepared and ready to participate, follows instructions, and completes all of his assignments. Dalton shows kindness and respect to all of his teachers and peers. His behavior is a positive example for other students! Our second middle school recipient chose to be recognized privately.
