2026-2027
Key School
Accident Assistance Form (K-4th grades)

Children have accidents, spills, or torn clothing from time to time. If your child is prone to accidents, please make sure you provide them with a complete change of clothing (in dress code) from home. We understand a spare set of clothes might not be available at times. In these situations, we will provide a change of clothes if available onsite.

When an accident occurs, please be aware that your child's teacher and/or the school nurse will be responsible for helping your child change clothes in the restroom. To protect your child's privacy, these duties are performed with the child and their teacher and/or the school nurse only. Please know the teacher/school nurse will provide as little help as possible unless help is verbally requested, or if the nurse deems help should be provided to the student.

We ask you to return any clothing provided by Key School (excluding undergarments) after laundering. If you have any questions or concerns, please do not hesitate to contact us.

Please initial below to indicate if you do or do not allow assistance to be provided to your student.

_____ I **GIVE** Key School permission for my child to have assistance with changing their clothes with aid from their teacher and/or the school nurse.

_____ I **DO NOT** give permission to Key School for my child to have assistance with changing their clothes with aid from their teacher and/or the school nurse.
